## AP EAMCET 2020 Counselling

Mode of Counselling: online

AP EAMCET 2020 counselling will be conducted in online mode by Andhra Pradesh State Council of Higher Education (APSCHE). All eligible candidates will first have to enter their AP EAMCET hall ticket number and rank and pay the counselling fee online (through credit card/debit card/net banking). After payment, the registration number and login ID will be provided through SMS. Next, the candidates will have to report to the designated Help Line Centres (HLC) for verification of documents. After the documents are verified, the candidates will have to log into their account and fill their preferred choices of colleges and course. Allotment of seats is done on the basis of the candidate's rank, category, preferences, and availability of seat. The provisional allotment letter has to be downloaded by the selected candidates. Self-reporting has to be done by the candidates followed by reporting at the allotted institute to confirm the seat.

## Cutoff Section

Admissions will be screened by the authorities using the cutoff of AP EAMCET 2020. The minimum ranks required to have higher chances of admission into the participating institutes will be listed out for admission. Various factors related to the examination such as the difficulty level, total number of aspirants, previous year's cutoff trends, and availability of seats will be taken into consideration while preparing the AP EAMCET 2020 cutoff. Candidates will also have to note that the cutoff will be different as per the categories, courses and institutes selected by the candidates for admission. Candidates can check the AP EAMCET 2020 previous year's cutoff for reference purposes.
